August 2026 Month Activities

Date: 04.08.2026

Village: Mela Michealpatti

Event: Impact collection of ST women beneficiaries under NABARD TDF Project

1. Visited mela Michealpatti beneficiaries who benefitted with livelihood activities such as goat (5 Nos.), dairy (1No.), nutrition garden under Farm activities and tailoring, petti shop, eve tuition under non-farm activity during the year 2024.
2. Data collected for impact study from every beneficiaries for each and every activity and video documentation done.
3. Notable points observed during survey: ~Increase in income (i.e): Average of Rs.50,000 earned from goat rearing by selling kids, reducing commercial feed ratio introducing azolla, vermicompost production and other scientific practices, ~Average of Rs.47,000 from cow by milk production and calf sales. ~ Vegetable consumption increased, vegetable expenditures were reduced (Rs.500/week) and thus ensured nutritional security through organic vegetables.
4. Attracted central government scheme to the village for construction of new house and thus 10 houses are under constructions.
5. Tailoring fetches regular income for the women.
6. Through our support they extended their pettu shop with refrigerator facilities and earning an additional income of Rs.3,000 from Milk and curd sales.
7. Evening tuition supporting 26 school children which improves learning skill and reading ability.

Team: SMS (Ag. Extn), SMS (AS), SMS (H.Sc) and TDF PC
