

ICAR Krishi Vigyan Kendra

(Hosted by CREED)
Ariyalur District

October 2026

Date: 06.10.2026

Village: T.Palur

Event: FLD Input distribution and method demonstration in modified rotary weeder

Details:

1. Under FLD on Modified rotary weeder for Paddy, weeder distributed to the key farmer.
2. Demonstration on use of weeder (Push & Pull) given.
3. Explained its uses - reduced drudgery, labour cost and its role in cutting of passive root and brings active roots.
4. This weeder wheel is designed with 8 inch size highly suitable for direct sowing and machine transplanting.

No. of farmers: 5

Team: SMS (H.Sc)

Date: 06.10.2026

Village: Paranam & Sirukadampur of Sendurai block

Event: Field visit on FLD program

Details:

1. Scientific field visit made on FLD of demonstration of Cumbu hybrid COH 10
2. Observation taken on growth parameters and pest & disease incidents
3. Key strategy given on El-Nino management during flowering and milky stages.

No of fields : 5 nos.

Team : SMS (Agrl.Ext., & Agronomy)

Date: 09.10.2026

Village: Siluppanur of Ariyalur block.

Event: Method demonstration under FLD program.

Details:

1. Scientific field visit on FLD of Integrated nutrient management in cotton at Siluppanur village.
2. Conducted method demonstration on foliar spray of TNAU Cotton plus booster @ 5 kg/ ha and soil application of TNAU MN mixture @ 12 kg/ ha
3. Observation taken on nutrient deficiencies, square & boll formation per plant and pest & disease incidence.

No of participants: 5

Team: SMS (Ag, Hort.& Agri.Ext)

Date: 09.10.2026

Village: Sathamangalam of Thirumanur block.

Event: Diagnostic field visit under FLD program.

Crop stage: Vegetative (16 days old)

Details:

1. Scientific field visit on FLD of Integrated crop management in Maize hybrid COHM11 at Sathamangalam village.
2. Observation taken on germination, growth parameters and infestation of Fall army worm.
3. Advisory rendered on impact of El - Nino and proper nutrition management

No of participants: 4

Team: SMS (Ag & Agri.Ext.,)

Date : 09.10.2025

Village: Sathamangalam of Thirumanur block.

Event: Group discussion under SCSP.

Details:

1. Conducted group discussion on entrepreneurship activities under SCSP
2. Awareness created on self entrepreneur activities like mushroom cultivation and their value addition, profitable goat rearing, vermicompost production.
3. Key notes given on department scheme and KVK interventions

No of participants: 12 nos.

Team: SMS (Agri. Ext.,)

Date : 09.10.2025

Village: Keezhapalur of Thirumanur block.

Event: Diagnostic field visit on follow up of EDP activity

Details:

1. Field visit made on successful vermicompost entrepreneur unit (Low cost)
2. Documented success case
3. Technologies given on earthworm production and Intervention given on market linkages.

Team: SMS (Agrl. Ext.,& Hort.)

Date: 12.10.2026

Village: Karaikurichi village of T.Palur block.

Event: Conducted FLD programme on Demostration of Bhendi hybrid CO (H) 5.

Details:

1. Method demonstration of Seed treatment with Withai Amirtham in FLD programme done.
2. Explained about the importance of Soil test based fertilizer application and its use.
3. Explained about land preparation, manure application and bio fertilizer use for soil health management.
4. Distributed Bhendi hybrid CO (H) 5 seed to farmers.
5. Explained about vegetable booster, mulching, intercrops and drought management techniques.

No.of Participants: 8 Nos

Team: SMS (Horti).

Date: 12.10.2026

Village : Karaikurichi village, T.Palur block.

Event: Off Campus training on Vegetable Cultivation.

Details:

1. Conducted off campus training programme on cultivation of vegetable crops.
2. Technical sessions on Soil testing importance, variety, land preparation, seed treatment with Withai Amirtham, soil test based fertilizer application, pest and disease management, organic input preparation techniques were explained
3. Explained about vegetable booster, mulching, intercrops and drought management techniques.
4. Key notes given to mitigate El-Nino impact in agriculture by adopting various natural farming practices.
5. Explained about KVK activities, insurance schemes, Drip irrigation and water conservation practices to farmers.

No. of participants - 18nos

Team - SMS (Horti.)

Date: 14.10.26

Event: Diagnostic field visit

Title: Japanese quail farm visit in Udayanaththam Village.

1. During the farm visit, we explained day-old quail chick management.
2. The Feed and water management of day-old chicks.
3. Advised the farmer about the rainy season management of Japanese quail.
4. Noted the Japanese quail farming difficulties. Japanese quail for egg purposes; sale of quail eggs is also a good source of income.

Number of participants: 1

Team: SMS (AS), SMS (HS)

Date: 14.10.2026

Village: Sirukadampur of Sendurai block

Event: Field visit on FLD program

Details:

1. Scientific field visit made on FLD of demonstration of Cumbu hybrid COH 10
2. Observation taken on pest & disease incidents
3. Key strategy given on El-Nino management at milky stage.

No of fields : 2 nos.

Team : SSH & SMS (Agrl.Ext., & Agronomy)

Date: 15.10.2026

Venue : KVK campus

Event : Celebration of Women's Farmers Day

Details:

1. Celebrated Women's Farmers Day at KVK campus. In this function Mrs. J. Ulagammai Murugakani, Joint Director of Agriculture preside over the function and delivered lecture about Agricultural development activity and it's schemes.
2. Explained Self employment opportunities of agriculture and allied activity and also included the activity of Farmer scientists interaction, Demonstration and exhibition
3. Experience sharing of Successful women entrepreneur to participants and recognize the best women entrepreneurs
4. Documented Success story in women entrepreneur
5. In this programme, line department officials like, Deputy Director of Agriculture, ADA, ADH, AO, HO, Manager of TamilNadu Grama Bank, Manager of Insurance company & ATMA staff

No. of Extension officials : 16

No of participants: 92

Team : SS& Head and Team

Date: 16.10.2026

Village: Vetriyur village, Thirumanur Block

Event: FLD program.

Title: Demonstration of nanomethicone spray.

Details:

1. Scientific field visit and Demonstration of the FL program.
2. Demonstrated the nanomethicone topical spray for anti-tick medicines.
3. Detailed explanation of the importance of anti-tick medication and the schedule and doses.
4. Explained Nanomethicone benefits and its uses.
5. Describe the management of the El Niño effect, also included in this field visit.

No. of participants: 10 nos.

Team: SMS (AS).

Date: 16.10.2026

Place: Vettriyur Village

Event : Off-campus training

Title: Management of livestock in rainy season

Details:

1. Explain in detail the nutrition requirements of dairy animals and the importance of nutrition in milk production.
2. Provide detailed information about how nutrition-deficient feed will affect milk yield and reproductive performance in dairy animals. Before the rainy season: importance of deworming and anti-tick medication. Anti-tick medicine uses and benefits.
3. Explain in detail nutrition management in dairy animals. Green fodder's importance. How it will improve the animal's health and reproductive performance.

Team : SMS (AS)

Total no. of participants: 25

Date: 16.10.2026

Village: Elakuruchi of Thirumanur block

Event: Off campus training

Details:

1. Conducted Off campus training of El- Nino impact on samba paddy cultivation
2. Technologies delivered on El-Nino mitigation measures like seed treatment with TNAU Vidhai Amirtham, direct sown practices by use of drum seeder, use of soil test based fertilizers and direct fertilizers application, judicious use of irrigation water by adoption of AWD method, foliar application of TNAU Nano revive and PPFM during peak moisture stress and spray of TNAU crop boosters like Rice reap and Rice bloom during panicle initiation and etc.,
3. Conducted method demonstration of seed treatment with TNAU Vidhai Amirtham.

No of participants: 40

Team : SMS (Agronomy)

Date: 18/10/26

Our news on Conduct of Women Farmers ' Day on the lieu of Celebrating International year of Farm women 2026 conducted on 25/10/26 flashed in Dinakaran.

கிரீடு வேளாண் அறிவியல் மையத்தில் வேளாண் மகளிர் தினம் கொண்டாட்டம்

► தா.பழந் அருகே கிரீடு வேளாண் அறிவியல் மையத்தில் மகளிர் தினம் கொண்டாட்டப்பட்டது.

தா.பழந், அக். 18: கிரீடு வேளாண் அறிவியல் மையத்தில் வேளாண் மகளிர் தினம் கொண்டாட்டப்பட்டது.

அரியலூர் மாவட்டம் தா.பழந் அருகே உள்ள சோழமா தேவி கிரீடு வேளாண் அறிவியல் மையத்தில் வேளாண் மகளிர் தினம் கொண்டாட்டப்பட்டது. இவ்விழாவில் அரியலூர் மாவட்ட வேளாண்மை துறையை சார்ந்த வேளாண் இணை இயக்குனர் திருமதி உலகம்மை முருகக்கனி தலைமை வகித்தார். முன்னதாக மையத்தின் முதுநிலை விஞ்ஞானி மற்றும் தலைவர் முனைவர் அழகு கண்ணன் வரவேற்றார். வேளாண் இணை இயக்குனர் தலைமை உரை யாற்றுகையில் மகளிரின் செயல்பாடுகள் மற்றும் வெற்றியடைந்த மகளிரின் அனுபவங்கள் பற்றி கூறினார். வேளாண் துணை

இயக்குனர் சிறப்புரையாற்றுகையில் வேளாண்மை துறையில் உள்ள திட்டங்கள் பற்றி எடுத்துரைத்தார். தா.பழந் ஒன்றிய வேளாண் உதவி இயக்குனர் பொறுப்பு தமிழ்மணி, வேளாண்மை துறையில் உள்ள திட்டங்கள் பற்றி மகளிர்க்கு எடுத்துரைத்தார். ஜெயங்கொண்டம் மற்றும் திருப்பனத்தாள் தமிழ்நாடு கிராம வங்கி மேலாளர், வங்கியில் உள்ள திட்டங்கள் மற்றும் காப்பீடு பற்றி கூறினார். மகளிர் மற்றும் விஞ்ஞானிகளுக்கிடையே கலந்துரையாடல் நடைபெற்றது. அதனைத் தொடர்ந்து வெற்றியடைந்த பெண்மணிகளில் உடையார்பாளையத்தை சார்ந்த கானான் வளர்ப்பில் சிறந்து விளங்கும் கஜாதா, வீராக் கன் கிராமத்தைச் சார்ந்த முத்திரிக்கொட்டை பதப்படுத்துதல் சிறந்து விளங்கும் உமா மற்றும் அணைக்குடம் கிராமத்தைச் சார்ந்த ஒருங்

கிணைத்த பண்ணையத்தில் சிறந்து விளங்கும் வெம்பு அசிய மகளிர் தங்கனது வெற்றியின் அனுபவத்தை விழாவில் கலந்துகொண்ட மகளிக்குடன் பகிர்ந்து கொண்டனர். இந்த விழாவில் கலந்து கொண்டவர்களுக்கு இந் பொருளான விதை, தென்னங்கன்று வழங்கப்பட்டது. இவ்விழா சிறப்பாக நடைபெற மையத்தின் தொழில் துட்ப வல்லுநர்கள் ராஜா ஜோஸ்லின், அசோக்குமார், திருமலை வாசன், வேடாபனா, சரண்யா, அறிவிச்செல்வி மற்றும் அலுவலர்கள் உதவிகளாக இருந்தனர். மேலும் இவ்விழாவில் அரியலூர் மாவட்டத்தை சார்ந்த 100-க்கும் மேற்பட்ட மகளிர் கலந்து கொண்டு பங்குபெற்றனர். நிறைவாக மையத்தின் வேளாண் விரிவாக்க தொழில் துட்ப வல்லுநர் ராஜ்கலா நன்றி கூறினார்.

Date: 23.10.26

Event: Sponsored Training on climate resilient farming practices by Dalmia Bharat Foundation

Title: Integrated farming system

1. In this training program, we discussed scientific goat rearing management of calves in the rainy season, selection of Dairy animal, management of livestock in rainy season
2. Livestock management in summer and winter.Reproductive management.Deworming and vaccination schedule for goats and dairy animals.The importance of deworming and vaccination.
3. Dairy animal mastitis management and common disease management.
4. Detailed discussion about rabies, symptoms, vaccination, and the importance of post-exposure vaccination. Discussed about spinless cactus uses and benefits.Demonstration of tick infestation and deworming Azolla preparation.

No. of participants: 50

Team: SS&H, SMS (AS)

Date: 22.10.2026

Venue : KVK campus

Event: Khet Bachao Abhiyan

Details:

1. Conducted Khet Bachao Abhiyan campaign and awareness program at KVK campus. In this programme, Our KVK chairman sir Dr. V. Nadanasabapathy preside over the function.
2. Mr. Tamilmani, Assistant Director of Agriculture delivered lecture about agricultural schemes and importance of Soil Health Cards
3. Key techniques delivered about Soil and water Management, Uses of biofertilizers, Natural farming, Balance use of fertilizer and IPM practices
4. Conducted method demonstrations on preparation of Waste Decomposer liquid and its uses for avoiding the burning practices of agricultural waste.
5. In this programme, seven extension literatures were released and distributed to farmers

Total No. Of participants : 124

Team : SS& Head and Team

Date: 23.10.2026

Village: Vanjinapuram, Sendurai block

Event: Joined diagnostic visit on Maize - FAW infestation.

Details:

1. Conducted joined scientific field visit with the department of agriculture, sendurai block against Fall army worm infestation during on set of monsoon.
2. Observation taken on virulence of FAW infestation in tassal and cob formation stages.
3. Suggested and suitable recommendations delivered to manage FAW in critical stages by cost effective method of spraying (Drone usage)

Team: ADA-Sendurai, SMS (PP,Ag, Agri.Ext)

Date : 23.10.26 to 27.10.26

Village: Kandirathitham village of Thirumanur block

Event: Vocational training on Integrated Farming system

Details:

1. Conducted Vocational training on Integrated Farming system to 45 Krishi Shakis
2. In this training, First day (23.10.2026) Dr. G. Alagukannan, SS& Head inaugurated training, explained self employment opportunities & it's schemes and motivated Krishi Shakis through successful women entrepreneurs. Next delivered lecture about Group management and value addition aspects by SMS(HS)
3. Second day (24.10.2026) - Lecture delivered about Livestock (Goat, Milch cow & Poultry rearing) Management practices by SMS(AS) & Method demonstion on Azolla production, Green fodder production & Paddy cultivation techniques explained by SMS(Ag)
4. Third day (26.10.2026) - Lecture delivered about importance of Natural farming, onsite input production & Method demonstration on preparation of Panchakavyam by SMS(AE) & Cultivation aspects in horticultural crops by SMS(Hort.)

No of Krishi Shakis: 45

Team: SS & Head & team
